West Lafayette Police Merit Commission Members

FR: Chief Jason Dombkowski

RE: April 2010 Monthly Report

During the month of April the West Lafayette Police Department received **1948 calls for service**, an increase of 353 calls (22%) from March, and an increase of 227 calls (13%) from April 2009.

In April the police department partnered with other area law enforcement agencies in launching the NIXLE community alert and information system. NIXLE is a free service for citizens to register for alerts and information from area police departments via email and text messages. Citizens can sign up for the service on the city's website.

The department was busy with Grand Prix activities and preparations throughout the month of April. Officers conducted meetings with bar owners, fraternities and sororities and other student organizations leading up to the event. While records crowds were present in the Village over the Grand Prix weekend, calls for service were down (22%) and police foot patrol and plastic barricades were up.

Notable enforcement efforts during the month included:

- a sobriety check point during Grand Prix week that removed an impaired driver from our city's road ways
- the arrest of a subject for dealing a controlled substance/Ecstasy, a class B felony, after a month long drug investigation
- the arrest of a subject for possession of child pornography, a class C felony, where investigation continues with the assistance of state and federal authorities

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Jason Dombkowski", written over a horizontal line.

Jason Dombkowski
Chief of Police
